Automation

Home	Office Tasks	9labs (PR, todo, CI/CD, Tests)	Chatbot	Email & Contact Us	Miscellaneous >
-------------	---------------------	---------------------------------------	----------------	-------------------------------	---------------------------

Home Automation

Name ID	Group ID	Status	times	Routines
Livingroom_light	Hue, movie	ON	6am	Turn yellow when dad comes into livingroom
Kitchen_light_top	Hue	ON	6am	3 attempt Light up slowly on presence
kitchen_lower_light				Dim on exit

Note- Individual elements will have names (Name ID) & Group ID can be empty if not assigned. Groups will never have a value in the corresponding Name ID field.

Overriding feature tbd.
